# STRENGTHENING FAMILIES, TOGETHER

**NEW** Clinical Outpatient Services for Montville Residents!

## OPIOID FAMILY TREATMENT PROGRAM:

*Breaking the cycle of addiction through family-centered care.* Recovery affects the whole family. Our program provides clinical treatment designed to support individuals and their loved ones through the journey of recovery. This program accepts health insurance but covers all client cost share responsibilities.

- **Assessment & Diagnosis**
- **Individual & Family Therapy**
- **Relapse Prevention & Coping Skills**

## FAMILY STRESS MANAGEMENT PROGRAM:

*Building resilience for everyday life.* From managing daily pressures to navigating complex relationships, we help families find their balance. This program is health insurance based and clients are responsible for their portion of fees only.

- **Assessment & Diagnosis**
- **Individual & Family Therapy**
- **Support & Guidance**

## CLINICAL EXPERTISE YOU CAN TRUST:

Services are provided by the licensed program providers part of the **BlueSky Wellness, LLC** platform, offering evidence-based, compassionate behavioral health care right here in our community.

- **Confidential & Private:** HIPAA and 42 CFR Part 2 Compliant Services
- **Flexible Options:** In-Person and Telehealth appointments available (pending availability).
- **All Ages:** Serving children, adolescents, and adults.
